Written Exam Information: Your exam will be offered electronically, and you will take the exam in your own home! There will be multiple sessions offered and each will be proctored virtually. Testing will be offered during business hours within the week of December 16th. There will be no evening or weekend sessions available – it is your responsibility to ensure you have the flexibility to test during these times. In early December you will receive an email with instructions on how to schedule and prepare for the exam.

Oral Interview: Applicants who successfully pass the written exam will be scheduled for an oral interview with the Fire District's Fire Commission. Dates and times of interviews will be assigned by the Fire Commission. Failure to attend the assigned oral interview will result in the applicant not completing the testing process.

All phases of testing are mandatory. If you fail to attend or do not successfully complete the application process, written exam, oral interview (scheduled after the exam), or any other portion of the testing process, you will not be eligible for employment consideration at the New Lenox Fire Protection District.
